

## Arihant Institute of Business Management, Pune

### 7.3 Institutional Distinctiveness

#### **The unique way to sensitize students through attaining corporate acumen**

Corporate connect is one of the strongest focus area of ARIHANT philosophy. Senior corporate executives play a vital role in our institute's value delivery by way of guest sessions, workshops and valuable contribution to teaching-learning process.

In an academic year, we organize 3-4 corporate conclaves, inviting top corporate executives for these events. Students get an opportunity to understand industry dynamics and business strategy. Its always an enriching experience for students to hear from the news makers of the corporate world.

**IIM Tour :** Students are taken to the Premier Management Institute of India to provide an exposure and get a glimpse into the life of an MBA student at IIM Bangalore, Indore, and Kolkatta since 2017. The campus tour is followed by an interaction with Professor, Dr. Kamal Jain where he addressed and engaged the Students in a case-solving session. The students also learned about the Institution's functions and its philosophy.
