## **REPORT ON TREE PLANTATION**

Students of AIBM participated with great Zeal and Enthusiasm in TREE PLANTATION DRIVE & MAINTENANCE, it was held on 12.09.2021. Good number of saplings were planted by faculties and students of MBA at the institute's campus to raise awareness and consciousness about environment. Tree plantation is not just something that should be done; instead, it is a necessity, the urgent need of the hour. Planting of trees is especially important to protect our environment against air pollution and global warming.

## OLD AGE HOME VISIT

On 2<sup>nd</sup> October 2021, a batch of 50 students of Arihant Institute of Business Management Pune visited the Mother Teresa Old Age home, Pimpri.

Dr. Amit Medhekar & Prof. Ramya Nair along with few administrative staff joined the students. The old age home is an abode of 94 old people who are lonely and sad in their sunset yearsof life. They were either abandoned by their families or themselves detached and moved outof their families. The Old age to them is like a home and are they brilliantly taken care by 12 Sisters who have devoted their lives at the Missionary.

The students were overwhelmed to see how these people where suffering in the old age which was apparent from their moist eyes. So AIBM Pune tried their level best to bring out some happiness and joy among the lives of the inmates by singing and dancing together. A token of love in the form of a kit that includes daily essentials of personal hygiene like handwash, sanitizer, Dettol etc. was donated.
