4 ICT & Computer Skills Program

- Date of Implementation: 1/12/2022
- Number of Students Enrolled: 160
- Program Facilitators:
- Mr. Abhishek Sood, Contact: 90969 77286
- Ms. Swarleen Kaur, Founder of Talk Room, Contact: 7409468668

Event Details:

The ICT & Computer Skills Program aimed to enhance students' proficiency in information and communication technology (ICT) and computer applications. The program covered essential topics such as basic computer operations, internet usage, Microsoft Office applications, and programming fundamentals. With hands-on training and practical exercises, students developed practical skills required for academic and professional endeavors in the digital age. The involvement of industry experts provided valuable insights into current technological trends and practices, preparing students for a competitive job market.

Summary:

Arihant Institute of Business Management's Capacity Building and Skills Enhancement Initiatives encompassed a diverse range of programs aimed at fostering the holistic development of students. From soft skills and language proficiency to physical fitness and ICT proficiency, each program was tailored to address specific needs and challenges faced by students in their academic and professional journey. Through engaging workshops, expert-led sessions, and hands-on training, the institution provided comprehensive skill development opportunities, empowering students to thrive in an increasingly dynamic and competitive environment.
